

Got Questions?

Who hasn't had questions after watching an instructional video or practicing at home after attending a clinic? A brand-new format being launched this October will provide you with the answers you've been looking for!

By simply submitting your question via email, yours may be one of those selected as one of the topics on the new *"Can We Talk?"* free monthly teleseminars.

FREE Teleseminar with Karen Scholl
Every Second Wednesday of the Month
at 8pm EST, (7pm CST, 6pm MST), 5pm PST for 60 minutes.

Please dial: (712) 432-1630
Your participant PIN is: 840662#

Submit your questions to CanWeTalk@KarenScholl.com
or just join and listen!

Note: This is a FREE seminar but long distance charges may apply depending on your personal calling plan.

It's like visiting with a group of your favorite horse friends from the comfort of your home, and as with all my educational formats... the guys are always welcome!

Every second Wednesday you can dial in to the live discussion addressing the most asked questions for that month. I'll cover as many questions as possible in the hour we have, and it already seems like too little time!

Submit your questions by email to canwetalk@karenscholl.com. Folks whose questions are selected will be notified in advance and can participate with talk capability if they wish, while others will have listen-only access.

This is a real-time, live discussion of some of the most common and provocative questions people have with their horses. Because it can be a

challenge to find an hour for yourself in the middle of a busy week, we hope to have these discussions recorded and available for a nominal fee to cover expenses, but there's no promise of that right now... just know we're working on it!

When you need a little help with those questions that come up after the clinic or while studying the videos, dial in for a dose of inspiration and fresh ideas to keep your horsemanship progressing!

I'll 'talk' with you then... invite a friend! *Karen* (♥)
